Women's Excellence Program

Dr Catherine Norton challenges women to realise their potential and become effective leaders in their personal and professional lives.

Dr Catherine Norton has presented workshops on Women's Empowerment and Leadership all over the world.

She has visited and worked in the Middle East extensively.

Participants find her seminars valuable and life-changing.

The special interactive program focuses your attention on what you need to do to become a better leader and how you can help others.

You will learn to

- ✓ Set your own goals.
- ✓ Manage work life balance.
- ✓ Identify leadership tasks that you need to do to become a better leader.
- ✓ Become a role model for others.

- ✓ Think strategically to achieve your goals.
- ✓ Plan and prepare for your leadership responsibilities.
- ✓ Understand cross cultural issues relating to leadership.

What to expect

The focus will be on ways to bring leadership into your life and work.

You will have the opportunity to actively participate, ask questions and get involved.

You will have the opportunity to learn from those around you through small group discussions.

Panel Discussion

There will be panel discussion, with key speakers where you will:

- ✓ Learn from successful leaders how to penetrate the glass ceiling.
- ✓ Hear motivating and inspiring stories of courage and perseverance.

Benefits of attending

The **Women's Excellence** program provides an environment for women to learn from each other and to learn the latest techniques to become better leaders.
